**6. ADMINISTRATIVE DEFINITIONS & NOTES**

■ **Medical crossover/autopay:** CareFirst will send eligible claim expenses to Further electronically to be processed and reimbursed according to the employee's available balance. Eligible expenses that would not be on a claims file (e.g., compliant over-the-counter medications), will require the employee to submit a request for reimbursement.  
**Please note:** Autopay is not appropriate for individuals who have secondary health coverage. Those employees should be directed to turn off this feature in their spending account profile at [carefirst.com/myaccount](http://carefirst.com/myaccount) and submit manual reimbursement requests instead.  
**Members with autopay do not receive debit cards.**

■ **Pay the provider:** This feature allows an employee to have their medical claim reimbursement sent directly to their in-network provider, instead of to their home address or direct deposited into their bank account.

- Providers are not paid at the time of service.
- Network providers may request a copay or coinsurance amount from a member if they haven't yet met their health plan deductible. Your employees would be responsible for working with their provider directly to be reimbursed once Further has sent payment to the provider. If a provider tries to collect a deposit amount that isn't copay or coinsurance, this should be reported to CareFirst immediately.
- **Copays and prescription claim amounts** are always paid to the employee and never to the provider, as it is assumed that the employee paid for this expense at the time of service.
- Enrolled employees can choose to turn off the pay the provider option in their online profile.

*Pay the provider is not available with the debit card option.*

**For additional assistance in understanding your options with medical crossover/autopay and pay the provider, please see the HRA Employer Guide available on the BlueFund CDH resources page at [employer.carefirst.com](http://employer.carefirst.com).**

■ **Locations:** To request multiple Further locations, please complete and attach a **Location Addendum**. Locations must be the same across all products administered by Further. To request different ACH accounts by location, please complete the **Group ACH Authorization Agreement Form**.

■ **Ineligible Employees:** You may have shareholders or highly compensated employees who aren't eligible to participate in an HRA. Please submit the **HRA Ineligible Employee Form** along with the plan design guide.

**9. CLAIM REIMBURSEMENT PROCESSING—Completion of this section is mandatory**

You will receive an automated email notification with the claim reimbursement totals. Log in to **employer.carefirst.com** to view and print your complete invoice detail.
